Marriage, also called matrimony or wedlock, is a socially or ritually recognised union between spouses that establishes rights and obligations between those spouses, as well as between them and any resulting biological or adopted children and affinity (in-laws and other family through marriage). The definition of marriage varies around the world not only between cultures and between religions ...

### **Marriage - Wikipedia**

The LDS Church has campaigned against government recognition of same-sex marriage, and the issue of same-sex marriage has been one of the church's foremost political concerns since the 1990s. For example, church members represented as much as 80 to 90 percent of the early volunteers petitioning voters door-to-door and 50 percent of the campaign funds in support of California Proposition 8 (2008).

### **Answers - The Most Trusted Place for Answering Life's**

On each page, the surveys are arranged by the total number of points available in each question, in descending order. All of the questions were transcribed from whatever Richard said when he first read the question for the face-off, on the theory that that would be the most likely time for him to read the question on the card verbatim.
