

a suitcase and a pdf

A suitcase is a form of luggage. It is often a somewhat flat, rectangular-shaped bag with rounded square corners, either metal, hard plastic or made of cloth, vinyl or leather that more or less retains its shape. It has a carrying handle on one side and is used mainly for transporting clothes and other possessions during trips.

A portmanteau is a piece of luggage, usually made of leather and opening into two equal parts. Some were large, upright, and hinged at the back and enabled hanging up clothes in one half, while others are much smaller bags (such as Gladstone bags) with two equally sized compartments. The word derives from the French word portemanteau (from porter, "to carry", and manteau, "coat"), which ...
