following treatise. I am sensible it is much more difficult to judge impartially of that which is the subject of this discourse, in the midst of the dust and smoke of such a state of controversy, as this land is now in, about things of this nature. As it is more difficult to write impartially, so it is more difficult to read impartially.

Say's concern with the average interested citizen and his zeal for economic education for the masses is most apparent in this classic work, A Treatise on Political Economy. The book has been heralded by Mises, Hayek, Rothbard, and many modern Austrians, who depend on his insights to assist in the understanding of markets and prices.
