medical appointments. This guide has some suggestions for what to ask. Bring a friend or family member with you when you see your doctor to help you remember what was said, to ask questions, or just to listen with you. If your doctor tells you something that isn't clear, ask that it be explained differently.

The words certainly apply to men as well: No one can walk your spiritual path for you; each step must be taken consciously, by you alone. No guru, guide, or channel can do the inner work that is necessary to develop your higher capabilities and bring you to the realization that answers your deepest questions.

In this updated edition of "The Healthy Heart Handbook for Women," we have put together all of this new knowledge in one easy-to-use handbook. This guide is part of The Heart Truth, a national public awareness campaign for women about heart disease sponsored by the National Heart, Lung, and Blood Institute (NHLBI) and many other groups ...

### **The Healthy Heart Handbook for Women**

From a special place inside a woman's body called her uterus. How does the baby get there? When a man and a woman love each other (insert your own values here, such as, when they are married, in college, are x years old, etc.), the man has sperm and the woman has an egg. The man's sperm fertilizes the woman's egg

and a baby grows.
