Myth is a folklore genre consisting of narratives that play a fundamental role in society, such as foundational tales. The main characters in myths are usually gods, demigods or supernatural humans. Myths are often endorsed by rulers and priests and are closely linked to religion or spirituality. In fact, many societies group their myths, legends and history together, considering myths to be ...

[Download PDF] Sensationalist claims have circulated this election season about the extent of voter fraud, with some politicians going so far as to tell voters to fear that this November's election will be rigged. Because electoral integrity is one of the elements necessary to making America the greatest democracy in the world, claims like this garner media attention, and frighten and ...
