

anthology of magazine verse pdf

Spoon River Anthology (1915), by Edgar Lee Masters, is a collection of short free verse poems that collectively narrates the epitaphs of the residents of Spoon River, a fictional small town named after the real Spoon River that ran near Masters' home town of Lewistown, Illinois. The aim of the poems is to demystify rural and small town American life. The collection includes 212 separate ...

Imagism was a movement in early 20th-century Anglo-American poetry that favored precision of imagery and clear, sharp language. It has been described as the most influential movement in English poetry since the Pre-Raphaelites. As a poetic style it gave modernism its start in the early 20th century, and is considered to be the first organized modernist literary movement in the English language.
