I think the controversy over GMOs represents one of the greatest science communications failures of the past half-century. Millions, possibly billions, of people have come to believe what is essentially a conspiracy theory, generating fear and misunderstanding about a whole class of technologies on an unprecedentedly global scale.

Time to call out the anti-GMO conspiracy theory – Mark Lynas

Hi, I can't believe another week has gone by. A few weeks ago my original intention was to write a post about things to do help manage your PMDD, but there are still a lot of things out there we need to avoid to keep it from getting worse. It won't do us any good to drink, eat and do the right things as long as we are still eating, drinking and doing the things that make it worse.
