Overview of the AACSB-accredited undergraduate business program offered by the Charles H. Dyson School of Applied Economics and Management in the College of Agriculture and Life Sciences at Cornell University.

Undergraduate | Cornell Dyson School

Description: Journal of Applied Ecology publishes novel papers that apply ecological concepts, theories, models and methods to the management of biological resources in their widest sense. The editors encourage contributions that use applied ecological problems to test and develop basic ecological theory, although there must be clear potential for improving management.

Journal of Applied Ecology on JSTOR

From foundational science to new and novel research, discover our large collection of Physical Sciences and Engineering publications, covering a range of disciplines, from the theoretical to the applied.
