Traditionally, many different kinds of boats have been used as fishing boats to catch fish in the sea, or on a lake or river. Even today, many traditional fishing boats are still in use. According to the United Nations Food and Agriculture Organization (FAO), at the end of 2004, the world fishing fleet consisted of about 4 million vessels, of which 2.7 million were undecked (open) boats.

Traditional fishing boat - Wikipedia

We are large enough to purchase directly from our suppliers rather than solely through a distributor or other third party. This cuts our operating cost, which results in better values for our clients.
