iii ABSTRACT This thesis examines the influence of music on the development of the Church of God (Cleveland, Tennessee). The dissertation is historically driven, but relies upon an interdisciplinary approach to draw on the insights of ecclesiology, theology,

The influence of music on the development of the Church of

Some churches have succeeded with a "blended" worship, but it has to be done very carefully, gently, over a period of time and, most importantly, with good leadership, planning and execution. The typical "blended" mix is done by using the 3/4 " 1/4 model.

A recipe for blended worship " Baptist News Global

Perhaps the term blended worship contributes to the confusion. Blended worship has become the term of choice for what was originally developed as convergence worship. And for many pastors and worship leaders, the term blended worship suggests a focus on musical styles.
