A growing body of leadership literature focuses on leader and follower identity dynamics, levels, processes of development and outcomes. Despite the importance of the phenomena, there has been surprisingly little effort to systematically review the widely dispersed literature on leader and follower identity.

This page is designed to discuss moves (renaming pages) mergers and splits. Its aim is to take the burden away from the beer parlour and requests for deletion where these issues were previously listed. Please note that uncontroversial page moves to correct typos, missing characters etc. should not be listed here, but moved directly using the move function.

In InuYasha, Kagome, Shippo, Sango, Miroku, and Kirara all routinely fall victim to this trope whenever they go into battle teamed up with Inuyasha. Despite the fact that all of them have at least a few skills that could contribute to victory, Inuyasha usually does almost all or all of the heavy lifting in combat, and he virtually always is the one to deliver the final killing blow.
