

comparative sociology and social pdf

7 In short, comparative sociology is a legitimate field in its own right. The cross-societal analysis it carries out is a necessary extension of intra-societal analysis. It is a necessary step, but a step which many sociologists, social psychologists, and even some anthropologists (!) abrogate. The purpose of this trend report is to codify the experiences of those who, since 1950, have

Comparative Sociology, 1950-1963 - bdavetian.com

Comparative Sociology and Social Change . Research in this cluster examines the causes and consequences of cross-national, cross-cultural variations in social processes.
