The term empowerment refers to measures designed to increase the degree of autonomy and self-determination in people and in communities in order to enable them to represent their interests in a responsible and self-determined way, acting on their own authority. It is the process of becoming stronger and more confident, especially in controlling one's life and claiming one's rights.

What is Narrative Therapy? A Definition. Narrative therapy is a form of therapy that aims to separate the individual from the problem, allowing the individual to externalize their issues rather than internalize them. It relies on the individual's own skills and sense of purpose to guide them through difficult times (Narrative Therapy, 2017).

When we talk about becoming a â€œpeacebuilder,â€• we donâ€™t mean becoming some kind of passive daydreamer. We are talking about empowering yourself to become an embodiment of the awakened presence of peace, a protector of the innocent, and a heart-based â€œwarriorâ€• of genuine love, truth and justice for one and all.. We all know world peace starts with inner peace.
