

encyclopedia of behavior modification pdf

Behavior management is similar to behavior modification. It is a less intensive version of behavior therapy. In behavior modification, the focus is on changing behavior, while in behavior management the focus is on maintaining order.

Behavior management - Wikipedia

Positive behavior support (PBS) is a behavior management system used to understand what maintains an individual's challenging behavior. People's inappropriate behaviors are difficult to change because they are functional; they serve a purpose for them. These behaviors are supported by reinforcement in the environment. In the case of students and children, often adults in a child's environment ...
