A consultation on our approach to regulating reformed functional skills qualifications in English and maths.

Reforming functional skills qualifications in English and

Functional Skills are qualifications that have been developed by the UK Government as part of an initiative to improve England's literacy, numeracy and ICT skills. They are replacing Key Skills Level 1 and 2 qualifications from September 2012; in the short-term Entry Level Key Skills will remain as there is no current replacement "this is still in review.

Functional skills support materials - OCR

Functional illiteracy is reading and writing skills that are inadequate "to manage daily living and employment tasks that require reading skills beyond a basic level". Functional illiteracy is contrasted with illiteracy in the strict sense, meaning the inability to read or write simple sentences in any language.. Foreigners who cannot read and write in the native language where they live may ...
