Death and reproduction are as diametrically opposed as negation and affirmation. Death is really the opposite process to the process ending in birth, yet these opposite processes can be reconciled. The death of the one being is correlated with the birth of the other, heralding it and making it possible.

"Erotism is the affirmation of life, even in death" - Georges Bataille. Sex and death, the sacred and the profane, the longing for the divine... Bataille mixes philosophy and anthropology to talk about eroticism, touching a wide range of subjects, from human sacrifice and cannibalism to the Christian notion of sin and

that which is diabolical.
