Survival skills are techniques that a person may use in order to sustain life in any type of natural environment or built environment. These techniques are meant to provide basic necessities for human life which include water, food, and shelter. The skills also support proper knowledge and interactions with animals and plants to promote the sustaining of life over a period of time.

The Swiss Army knife is a pocketknife or multi-tool manufactured by Victorinox (and up to 2005 also by Wenger SA). The term "Swiss Army knife" was coined by American soldiers after World War II due to the difficulty they had in pronouncing "Offiziersmesser", the German name (lit. "officer's knife"). The Swiss Army knife generally has a main spearpoint blade, as well as various tools ...
