Eternal return (also known as eternal recurrence) is a theory that the universe and all existence and energy has been recurring, and will continue to recur, in a self-similar form an infinite number of times across infinite time or space. The theory is found in Indian philosophy and in ancient Egypt and was subsequently taken up by the Pythagoreans and Stoics.

The following are three universal truths: (1) Life is God because everything is part of God. (2) Light is God because everything is made of light. (3) Love is God because everything is held together by God. These truths come from people who have had near-death experiences. These truths also come from Jesus, Buddha, Krishna, Moses, Muhammad, Zoroaster, etc.
