The Rural Financial Counselling Service (RFCS) counsellors provide financial options and support to help farmers make the right decision for their business.

Rural Financial Counselling Service

Agriculture is the science and art of cultivating plants and livestock. Agriculture was the key development in the rise of sedentary human civilization, whereby farming of domesticated species created food surpluses that enabled people to live in cities. The history of agriculture began thousands of years ago. After gathering wild grains beginning at least 105,000 years ago, nascent farmers ...
