Seller financing is a loan provided by the seller of a property or business to the purchaser. When used in the context of residential real estate, it is also called "bond-for-title" or "owner financing." Usually, the purchaser will make some sort of down payment to the seller, and then make installment payments (usually on a monthly basis) over a specified time, at an agreed-upon interest rate ...

A sales call reporting template is used to track key details about one's customers and calling activity. When organized properly, call reports help you measure the productivity of your sales team, the health of your pipeline and allow salespeople to pick up on past conversations quickly by reviewing their notes.
