So far there has been three electric starters for Vincents. Both Grosset and Conway starters operate through the gearbox mainshaft and the primary drive. Both these are more safely operated with the help of the valve lifter or a decompressor, particularly if there is a chance of a kick-back or if you have a very high compression ratio or radical cams.

A tennis court is the venue where the sport of tennis is played. It is a firm rectangular surface with a low net stretched across the center. The same surface can be used to play both doubles and singles matches. A variety of surfaces can be used to create a tennis court, each with its own characteristics which affect the playing style of the game.
