Dacian is an extinct Indo-European language that was spoken in the Carpathian region in antiquity. In the 1st century, it was probably the predominant language of the ancient regions of Dacia and Moesia and possibly of some surrounding regions. The language was probably extinct by the 7th century AD.

This is a list of atheists in science and technology. A mere statement by a person that he or she does not believe in God does not meet the criteria for inclusion on this list. Persons in this list are people (living or not) who both have publicly identified themselves as atheists, or have been historically known to be atheists, and whose atheism is relevant to their notable activities or public ...
