Freedom of information is an extension of freedom of speech, a fundamental human right recognized in international law, which is today understood more generally as freedom of expression in any medium, be it orally, in writing, print, through the Internet or through art forms. [citation needed] This means that the protection of freedom of speech as a right includes not only the content, but ...

Freedom of information laws allow access by the general public to data held by national governments. The emergence of freedom of information legislation was a response to increasing dissatisfaction with the secrecy surrounding government policy development and decision making. They establish a "right-to-know" legal process by which requests may be made for government-held information, to be ...

Guide to Requesting Records or Information. The Freedom of Information Act (), 5 U.S.C. Â§ 552, generally provides that any person has a right of access to federal agency records, unless the records (or any portion of the records) are protected from disclosure by one of FOIA's nine exemptions or by one of three special law enforcement record exclusions.
