The bass guitar (also known as electric bass, or simply bass) is a stringed instrument similar in appearance and construction to an electric guitar, except with a longer neck and scale length, and four to six strings or courses. The four-string bass is usually tuned the same as the double bass, which corresponds to pitches one octave lower than the four lowest pitched strings of a guitar (E, A ...

Totally essential for the approach I have (I very rarely use written music). A great place to start is by learning chords: the first building block is the Major chords - then the minor chords, then the sevenths (the Major, minor, and dominant sevenths), then the augmented, diminished, and half-diminished chords, then ninths (major & minor), sixths (major & minor), then thirteenths and ...
