BibMe: Free Bibliography & Citation Maker - MLA, APA

5. CGOS Style " Columbia Guide to Online Style. A specialized style guide for citing and creating electronic sources. It is a special manual that addresses the complications and peculiarities associated with online publishing and offers the rules of online citation to students, researchers and the wide public.

Research, Writing, and Style Guides - A Research Guide for

A style guide (or manual of style) is a set of standards for the writing and design of documents, either for general use or for a specific publication, organization, or field. (It is often called a style sheet, though that term has other meanings.). A style guide establishes and enforces style to improve communication. To do that, it ensures consistency within a document and across multiple ...

Case citation is a system used by legal professionals to identify past court case decisions, either in series of books called reporters or law reports, or in a neutral style that identifies a decision regardless of where it is reported. Case citations are formatted differently in different jurisdictions, but generally contain the same key information.. A legal citation is a "reference to a ...
