Leaving Certificate - Home Economics Notes

The Leaving Certificate Examination (Irish: Scr d na hArdteistim ireachta), which is commonly referred to as the Leaving Cert (Irish: Ardeist), is the university matriculation examination in the Republic of Ireland and the final exam of the Irish secondary school system. It takes a minimum of two years preparation, but an optional Transition Year means that for those students it takes ...

These notes accompany the curricular-based Language Support Activity Units. They are designed to explain and supplement the activities contained within the Units. We strongly recommend that before using the Units with your students for the first time, that you download the entire set of notes to get an overall picture of how best to use the Units.

The levels of Ireland's education are primary, secondary and higher (often known as "third-level" or tertiary) education. In recent years further education has grown immensely. Growth in the economy since the 1960s has driven much of the change in the education system. For universities there are student service fees (up to  3,000 in 2015), which students are required to pay on registration ...
