illusion, and that the fundamental reality is mental -- is called idealism. In a sense, you can think of this sort of view as the opposite of materialism. Materialism says that mental things are, in the end, fundamentally physical. Idealism says that material things are, in the end, fundamentally mental.

### **Idealism - University of Notre Dame**

Idealism is philosophy on a grand scale, combining micro and macroscopic problems into systematic accounts of everything from the nature of the universe to the particulars of human feeling. In consequence, it offers perspectives on everything from the natural to the social sciences, from ecology to critical theory.
