Magic: The Gathering formats are various ways in which the Magic: The Gathering collectible card game can be played. Each format provides rules for deck construction and gameplay, with many confining the pool of permitted cards to those released in a specified group of Magic card sets. The DCI, the governing body that oversees official Magic competitive play, categorizes its tournament formats ...

Magic Items and Detect Magic. When detect magic identifies a magic item's school of magic, this information refers to the school of the spell placed within the potion, scroll, or wand, or the prerequisite given for the item. The description of each item provides its aura strength and the school to which it belongs. If more than one spell is given as a prerequisite, use the highest-level spell.
