MANAGING OPPORTUNITIES AND RISKS 5 therefore necessitates an explicit effort to step back and see the full risk and opportunity picture. Managing risk and opportunity is a continuum,

### **Managing Opportunities and Risks - CIMA**

Disease management is defined as "a system of coordinated healthcare interventions and communications for populations with conditions in which patient self-care efforts are significant.". For people who can access health care practitioners or peer support it is the process whereby persons with long-term conditions (and often family/friend/carer) share knowledge, responsibility and care plans ...

Continuity of health care (also called continuum of care) is to what degree the care is coherent and linked, in turn depending on the quality of information flow, interpersonal skills, and coordination of care. Continuity of health care means different things to different types of caregivers, and can be of several types:
