McDonalds Russia: Managing a Crisis Case Solution & Case

When planning new products, companies often start by segmenting their markets and positioning their merchandise accordingly. This segmentation involves either dividing the market into product categories, such as function or price, or dividing the customer base into target demographics, such as age ...

Clay Christensenâ€™s Milkshake Marketing

In The Golden Passport, he reveals the inner works of a singular nexus of power, ambition, and influence: Harvard Business School. Harvard University still occupies a unique place in the publicâ€™s imagination, but the Harvard Business School eclipsed its parent in terms of influence on modern society long ago.
