Project Management Institute Project Management Professional (PMP)® Examination Content Outline June 2015

Project Management Institute

Project Management Professional (PMP) is an internationally recognized [citation needed] professional designation offered by the Project Management Institute (PMI). As of March 2018, there are 833,025 active PMP certified individuals and 286 chartered chapters across 210 countries and territories worldwide. The exam is based on the PMI Project Management Body of Knowledge

Project Management Professional - Wikipedia

The project manager's mission has evolved and facilitation skills have become ever more important and key to the success of the challenging nature of the projects we manage today.

PM Fair – Annual Project Management Congress

What Is a Project, and What Is a Program Portfolio? To understand project portfolio management, we'll break the term down into its parts. As it relates to PPM, a project is an individual effort to create a discrete product or service in a bounded amount of time. A program is a group of related projects, often with a common goal. Finally, a portfolio is the management of multiple programs ...
