Standards of Practice for Professional Chaplains in Acute Care |2 INTRODUCTION HISTORY  
Representatives of diverse faith traditions have provided spiritual and religious care to the sick for centuries.

### **Standards of Practice for Professional Chaplains in Health**

Purpose. To discuss the current research evidence about the relationship of nursing specialty certification and patient outcomes in acute care hospitals, interpret research findings within Needleman's Expanded Conceptual Model for Credentialing Research, provide future direction for research using Needleman's model, and discuss how Needleman's model applies to vascular access certification.

Staffing Ratios. Is there a law regarding how many patients (nurse: patient ratio) a nurse can be assigned to care for in Texas? The Texas Board of Nursing (Board or BON) has no authority over staffing ratios, a workplace/employment matter; however, the Board does have applicable regulations that relate to a nurse's duty to patients.
