Rhetoric is the art of using language to convince or persuade. Aristotle defines rhetoric as "the faculty of observing in any given case the available means of persuasion" and since mastery of the art was necessary for victory in a case at law or for passage of proposals in the assembly or for fame as a speaker in civic ceremonies, calls it "a combination of the science of logic and of the ...

Human resource management (HRM) has frequently been described as a concept with two distinct forms: soft and hard. The soft model emphasizes individuals and their self-direction and places commitment, trust, and self-regulated behaviour at the centre of any strategic approach to people. In contrast, the hard model stresses the rationalism of strategic fit and places emphasis on performance ...

But, I heard that "TERF is a slur!" The "TERF is a slur" meme is a way for TERFs to simultaneously attack and dismiss critiques of their ideology and behavior. Recently, a cisgender feminist used the term TERF and was immediately attacked " not for the observations she actually made " but for daring to distinguish between radical feminists and TERFs.
