SynchroDestiny BY DEEPAK CHOPRA, M.D. FROM TIME TO TIME, we've all experienced coincidences that seem to be endowed with special significance. Perhaps the phone rings with a call from a long-lost friend just as you've been thinking about that person. Or you keep hearing a certain word or phrase in your reading and conversation.

A synchronicity is a coming together of seemingly unconnected events. The word SynchroDestiny expresses both an awareness that our lives are shaped by moments of meaningful coincidence, and an intention to nurture and participate in those moments in a positive way. In any aspect of human life, attention and awareness always foster growth.
