the cartoon history of pdf

A cartoon is a type of illustration, possibly animated, typically in a non-realistic or semi-realistic style. The specific meaning has evolved over time, but the modern usage usually refers to either: an image or series of images intended for satire, caricature, or humor; or a motion picture that relies on a sequence of illustrations for its animation.

Cartoon - Wikipedia

An animated cartoon is a film for the cinema, television or computer screen, which is made using sequential drawings, as opposed to animation in general, which include films made using clay, puppets, 3D modeling and other means. Animated cartoons are still created for entertainment, commercial, educational and personal purposes.
