DISCLOSURE/CONFLICT OF INTEREST VALIDATION: The "Health Education Program For Developing Communities" (HEPFDC) is a humanitarian service of the non-profit public benefit charity

Health Education Program For Developing Countries

A developing country (or a low and middle income country (LMIC), less developed country, less economically developed country (LEDC), or underdeveloped country) is a country with a less developed industrial base and a low Human Development Index (HDI) relative to other countries. However, this definition is not universally agreed upon. There is also no clear agreement on which countries fit ...

Developing Your Data Strategy - SAS Support

Person-centred planning (PCP) is a set of approaches designed to assist an individual to plan their life and supports. It is most often used for life planning with people with learning and developmental disabilities, though recently it has been advocated as a method of planning personalised support with many other sections of society who find themselves disempowered by traditional methods of ...
