5 Socializing Your Dog or Puppy Ongoing socialization is extremely important to prevent behavior problems. Socialization is especially important before the age of 6 months, but should also throughout your dog's lifetime.

Pet Expertise Dog Training Guide

Dog training is the application of behavior analysis which uses the environmental events of antecedents and consequences to modify the behavior of a dog, either for it to assist in specific activities or undertake particular tasks, or for it to participate effectively in contemporary domestic life. While training dogs for specific roles dates back to Roman times at least, the training of dogs ...
