The history of the United States Dollar refers to more than 240 years since the Continental Congress of the United States authorized the issuance of Continental Currency in 1775. On April 2, 1792, the United States Congress created the United States dollar as the country's standard unit of money. The term dollar had already been in common usage since the colonial period when it referred to ...

A People's History of the United States is a 1980 non-fiction book by American historian and political scientist Howard Zinn. In the book, Zinn presented what he considered to be a different side of history from the more traditional "fundamental nationalist glorification of country". Zinn portrays a side of American history that can largely be seen as the exploitation and manipulation of the ...
