The Valentine was extensively used in the North African Campaign, earning a reputation as a reliable and well-protected vehicle. The first Valentines went in action with the 8th Royal Tank Regiment in Operation Crusader. The tank first served in Operation Crusader in the North African desert, when it began to replace the Matilda Tank.

A tram (in North America streetcar or trolley) is a rail vehicle which runs on tramway tracks along public urban streets; some include segments of segregated right-of-way. The lines or networks operated by tramcars are called tramways. Historically the term electric street railways was also used in the United States. In the United States, the term tram has sometimes been used for rubber-tyred ...
