and prosperity, and a critical component in strategy for peace keeping and stability operations abroad. Sustainable transportation is both foundational to and interdependent with security and prosperity. Peace and stability are reliant upon sustainable transportation that can best be accomplished in a comprehensive

SUSTAINABLE TRANSPORTATION: STRATEGY FOR SECURITY

During the Cold War, he argues, the major commitments were working out their differences within an essentially peaceful context—peaceful coexistence was a central purpose from its very beginning. He finds the permanent pacification and integration of Western Europe during the Cold War to be particularly important because the very concept of peace ...

In War, Peace and Prosperity in the Name of God, Murat Iyigun of the University of Colorado presents a fascinating theory of the political and socio-economic consequences of monotheism on world economic history. Iyigun's basic argument is the following: monotheism is good for social stability because it permits an ecclesiastical monopoly that ...

War, Peace and Prosperity in the Name of God: The Ottoman

The policy implications of the capitalist-peace strategy are simple: promote economic freedom and globalization. If the policy succeeds, one gets more prosperity, more democracy, less civil war, and less interstate war. Ultimately, the capitalist-peace strategy rests on a policy of depoliticization.
