White Lilies Island is the second album by Natalie Imbruglia. It was released in Europe and Australia in late 2001 and in the United States on 5 March 2002. The name of this album comes from the location of Imbruglia's home in Windsor, on a peninsula of that name between the Clewer Mill Stream and the main stream of the river Thames. The album is also notable for being the first to include copy ...

Lilium (members of which are true lilies) is a genus of herbaceous flowering plants growing from bulbs, all with large prominent flowers. Lilies are a group of flowering plants which are important in culture and literature in much of the world. Most species are native to the temperate northern hemisphere, though their range extends into the northern subtropics.
