Afterword: why language matters in the analysis of organizational change Design/methodology/approach " The article begins by exploring the traditional perspectives used to make sense of organizational change including the behaviorist and cognitivist views.

Afterword: why language matters in the analysis - DeepDyve

Language matters. Few would argue that this is a radical claim; in fact, it's probably so obvious that most don't stop to consider why or how it matters. For instance, to call a person or group "radical" is to presume their beliefs are extreme and to ask others to do as well. Or think about any building on your campus.

Language Matters: A Rhetorical Look at Writing " Open
