World Air Power Journal was a quarterly aviation magazine concentrating on modern military aviation in the period 1989 - 2000. The contents included news, military air operations, new aircraft briefings, air forces analysis and photo features and in-depth articles about particular aircraft types - usually presented in great detail, and with ...

World Air Power Journal - Wikipedia

I would heartily endorse the comments regarding the quality of World Air Power, Wings of Fame and International Air Power Journal. Authoritative writing, excellent use of colour photos and illustrations and nicely laid out on high quality glossy paper.
