The Heritage of World Civilizations, Combined Volume: Heri

A civilization or civilisation (see English spelling differences) is any complex society characterized by urban development, social stratification imposed by a cultural elite, symbolic systems of communication (for example, writing systems), and a perceived separation from and domination over the natural environment.. Civilizations are intimately associated with and often further defined by ...

Civilization - Wikipedia

The history of the world, in common parlance, is the history of humanity (or human history), as determined from archaeology, anthropology, genetics, linguistics, and other disciplines; and, for periods since the invention of writing, from recorded history and from secondary sources and studies.. Humanity's written history was preceded by its prehistory, beginning with the Palaeolithic Era ...
