The World Turned Upside Down By David Drake, Eric Flint

"The World Turned Upside Down" is an English ballad. It was first published on a broadside in the middle of the 1640s as a protest against the policies of Parliament relating to the celebration of Christmas. Parliament believed the holiday should be a solemn occasion, and outlawed traditional English Christmas celebrations.

tune "The World Turned Upside Down." The inability of so many active funds to find that "edge" that formerly allowed them to produce alpha is quite remarkable. I have written about this phenomenon before, so I won't go into detail here; but it is the massive move from active to passive funds that is the core of the problem.
