is not a good idea. There are plenty of words that are proven to work. Try not to use the same exact words that everyone else is using in their headlines and program names. The worn-out and common expressions that have been used over and over again lack the important headline requirement of stop-ability.

### **Attention-Getting Words and Phrases For Hot-Selling Copy**

the reverse. Overusing abstract words is a sign that you either haven't given the copywriter a fully detailed brief about why you're better than the next, or they're just lazy copywriters. Tips: 1. Avoid abstract words. Replace them with the simplest word you can think of. 2. Get detailed information about your product.
