Volume 24 Issue 1 | Yearbook of International

The Yearbook of International Organizations is a reference work on non-profit international organizations, published by the Union of International Associations. It was first published in 1908 under the title *Annuaire de la vie internationale*, and has been known under its current title since 1950.

Yearbook of International Organizations - Wikipedia

As international organizations may publish on any topic, the collections facilitate many additional types of comparative or multinational studies, including studies in economics, health, human rights, science, technology, and the environment.

Collections Policy Statement: International Organizations

Updated version of an article which first appeared in the Yearbook of International Organizations in 1978. That version was reproduced, with minor alterations, by permission of the publisher and editors of: *International Organizations; a conceptual approach* edited by Paul Taylor and A J M Groom (London, Frances Pinter, 1977; New York, Nichols Publishing Company, 1978).

Types of international organization: detailed overview

Many international organizations produce a variety of documents, ranging from treaties facilitated by IGOs to reports issued by NGOs. The Web is proving to be a rich source for these documents,

e-RG

The Yearbook of International Organizations includes detailed information on over 37,500 active and approximately 38,000 dormant international organizations from 300 countries and territories - including intergovernmental and international non-governmental organizations . Approximately 1,200 new organizations are added each year.
