Nonverbal Communication Reading Body Language and Improving Your Nonverbal Skills. While the key to success in both personal and professional relationships lies in your ability to communicate well, it's not the words that you use but your nonverbal cues or "body language" that speak the loudest.

### **Nonverbal Communication: Reading Body Language and**

Knowledge of the body language of the other person and the ability to interpret it make a person aware of his or her own body language. This awareness, in turn, leads to greater self-control and more effective communication processes. If you are aware of what you do with your body, your self-understanding becomes deeper and more meaningful.

### **BODY LANGUAGE - BVSDE Desarrollo Sostenible**

"One thing parents can begin to note is a child's tell, or a body movement or gesture that is often displayed when your child is being dishonest," she explains.
